

## Join us for lunch with Governor Mitch Daniels Ticket & Sponsorship Information

On Friday, October 2, from 11:30 PM to 1:30 PM, the Illinois Policy Institute will be hosting Indiana Governor Mitch Daniels for a luncheon, talk, and Q & A at 190 South LaSalle Street in Chicago.

Governor Daniels has made a name for himself as a champion of common sense, free-market, business-friendly policies. In 2005, for instance, he led Indiana to its first balanced budget in eight years and, without a tax increase, transformed the \$600 million deficit he inherited into an annual surplus of \$370 million within a year.

Since then, his budgets have generated millions more in savings and his innovative policy solutions have won him recognition across the country. Indiana is near the top of every national ranking for its friendliness to business—standing in striking contrast to Illinois, which scores embarrassingly low when it comes to economic competitiveness.

**We're expecting an enthusiastic response with guests from the media, local businesses, the state legislature, and more. Reserve your seat now!**
